REFERENCE DATABASES

CGI Learning Center with cooperation from CHE, provides 14 online databases with mostly available fulltext of journal articles, and users can access a number of printed journals in English and in Thai. All available e-journals from CGI can be searched from the reference databases of the following list:

- Muse Global
- Proquest Multiple Databases
- Academic Search Premier
- ACM Digital Library
- American Chemical Society Journal (ACS)
- Computers & Applied Sciences Complete
- Education Research Complete

USEFUL LINKS

- Available from CGI Learning Center Website:
- **Research Institutes** are selected for faculty and students to access current research information and services from sources outside CGI.
- **Reference and Information services and International news** are links to reference tools such as dictionaries and encyclopedia as well as databases useful for finding journals available from other libraries, as well as current information from international sources.
