

RESOURCES

- Textbooks for class assignments, and Internet access as well as computers will be available for students to access online reference databases.

- Using VPN means Internet access to library via computers or smart phone. VPN allows access to CGI online reference databases. Please contact CGI Learning Center to apply for your VPN account to setup a VPN client's server network and install it on your computer. After that, you can open a web browser and use CGI Learning Center reference databases.

- Resources include gifts to CGI which comprise journals and publications contributed by institutions in Thailand and from international sources.

USERS & BORROWERS

Faculty, staff and students of
Chulabhorn Graduate Institute
Chulabhorn Research Institute

Please register online or register at counter service by presenting CGI/CRI ID cards, with 1 inch size photograph.
