

Tentative Schedule for TNS Annual Meeting
The 22nd Thai Neuroscience Society Conference 2018
“Neurodegeneration”

December 14, 2018

Chulabhorn Graduate Institute
Chulabhorn Royal Academy, Lak Si, Bangkok, Thailand

Friday, December 14, 2018

- | | |
|---------------|---|
| 09.00 - 09.30 | Registration |
| 09.30 - 09.50 | Open Ceremony/Welcome address
Rector, Chulabhorn Graduate Institute
President, Thai Neuroscience Society |
| 09.50 - 10.00 | Group photo |
| 10.00 - 10.45 | Special lecture I
DNA Methylation in Psychiatric Diseases-the Gene Environment Interaction
Professor Gavin P. Reynolds
(Sheffield Hallam University, UK.) |
| 10.45 - 11.15 | Coffee break / poster viewing |
| 11.15 - 12.00 | Special lecture II
Protein Quality Control Contributes to Noise-induced Hearing Loss
Assistant Prof. Nopporn Jongkamonwivat
(Faculty of Science, Mahidol University, Thailand) |
| 12.00 - 13.00 | Lunch / poster viewing |
| 13.00 - 13.45 | Special lecture III
Mechanisms of Melatonin in Alleviating Alzheimer's Disease.
Dr. Mayuri Shukla
(Chulabhorn Graduate Institute, Chulabhorn Royal Academy, Thailand) |
| 13.45 - 14.30 | Special lecture IV
Therapeutic strategy for ischemic optic neuropathy
Associate Professor Dr. Shun-Ping Huang
(Department of molecular biology and human genetics,
Tzu Chi University, Chinese Taipei) |
| 14.30 - 15.30 | Coffee break / poster viewing |
| 15.45 - 16.00 | Awards Presentation (for best poster presentation) |
| 16.00 - 17.00 | Annual Meeting of Thai Neuroscience Society |
-
