His Majesty King Bhumibol Adulyadej Milestones to Remember

1927- Birth of His Majesty the King at Cambridge Hospital, Massachusetts, United States.

“The Mount Auburn Hospital

family mourns the loss of the revered King of Thailand, King Bhumibol Adulyadej who died peacefully at the

age of 88 on October 13, 2016

and was born at Mount Auburn Hospital on December 5, 1927. He was the longest reigning monarch born on American soil having reigned in Thailand for 70 years.”

...“It is with deep sadness that we learned of the King's passing. He was a true leader in public health issues and reigned with an ever deepening commitment to the people of Thailand,” says Jeanette Clough, President & CEO of Mount Auburn Hospital. “We join with the people of Thailand both near and far in expressing our sincerest condolences to the family of the King” ...
