Library Orientation 2017

On the 18th of August 2017, CGI Learning Center held an orientation for first year students. The aim of the orientation was to give brief and important information to the new students about Learning Center and its rules.

Orientation consisted of two parts: first part was dedicated to the introduction of Library staff members. The second part covered the tour sessions for the students.

The most important and interesting part of the orientation was library tour. Library staff visually showed how to use print books, electronic resources, and also technical equipment.
