Empowering S&T Research with the Openness Revolution

August 1, 2019

Empowering S&T Research with the Openness Revolution was co-hosted by CGI Learning Center and STKS. Openness as a result from fast changing Internet technology introduced an alternative channel of research communications from commercial journal publishing to open access journals. The conference opened a floor to discuss on how to access the knowledge and who benefit from this development.
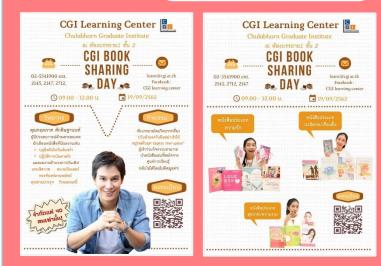

Knowledge Sharing on Digital Archives

September 3, 2019

A presentation on Digital Archives for universities was introduced by Khun Apichai Arayacharoenchai from Stang Mongkolsuk Science Library, Mahidol University.

The speaker demonstrated the best practice on how university library collected the important events, academic activities as well as memorable snap shots taken in the old times, and created the digital archives on social media.
