Chapter 1

1 blank line (Single-spaced)

Times New Roman, 14 points, Bold

Introduction

1 blank line (Single-spaced)

The molecular biology revolution and the advent of genomic and proteomic technologies are facilitating rapid advances in our understanding of the molecular details of cell and tissue function. These advances have the potential to transform toxicological and clinical practice, and are likely to lead to the supplementation or replacement of traditional biomarkers of cellular integrity, cell and tissue homeostasis, and.....

How to write “References”

You can choose writing references in 3 styles

1. Vancouver Style
2. ACS Style
3. APA Style

[As detailed on next page;](#)

Times New Roman, 16 points, Bold →

Hanging indentation by 0.5"

References
