Getting to know Universities & Libraries abroad from our webpage!

Duke University <https://www.duke.edu/>

Younger than most other prestigious U.S. research universities, Duke University consistently ranks among the very best. Duke's graduate and professional schools — in business, divinity, engineering, the environment, law, medicine, nursing and public policy — are among the leaders in their fields. Duke's home campus is situated on nearly 9,000 acres in Durham, North Carolina, U.S.A., a city of more than 200,000 people. Duke also is active internationally through the Duke-NUS Graduate Medical School in Singapore, Duke Kunshan University in China and numerous research and education programs across the globe. More than 75 percent of Duke Students pursue service-learning opportunities in Durham and around the world through Duke Engage and other programs that advance the university's mission of "knowledge in service to society."

Duke University libraries <https://library.duke.edu/>

Comprises six libraries across East and West Campus, including the Rubenstein Rare Book & Manuscript Library (now under renovation), and the separately administered libraries serving the schools of business, divinity, law and medicine.

The Medical Center Library & Archives

<https://mclibrary.duke.edu/> provides the services and collections necessary to further educational, research, clinical, and administrative activities in the medical field. Services are available to Duke Medicine faculty, staff, and students in the School of Medicine, School of Nursing, allied health programs, and graduate programs in the basic medical sciences. The Library also serves Duke Hospital and Health System.
